River iGaming PLC

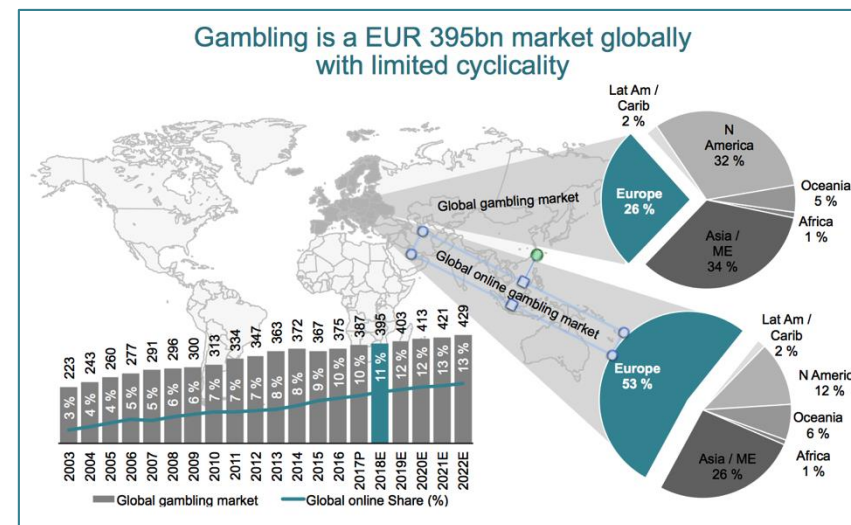

CEO Kent Staahle

ENORMT POTENSIALE

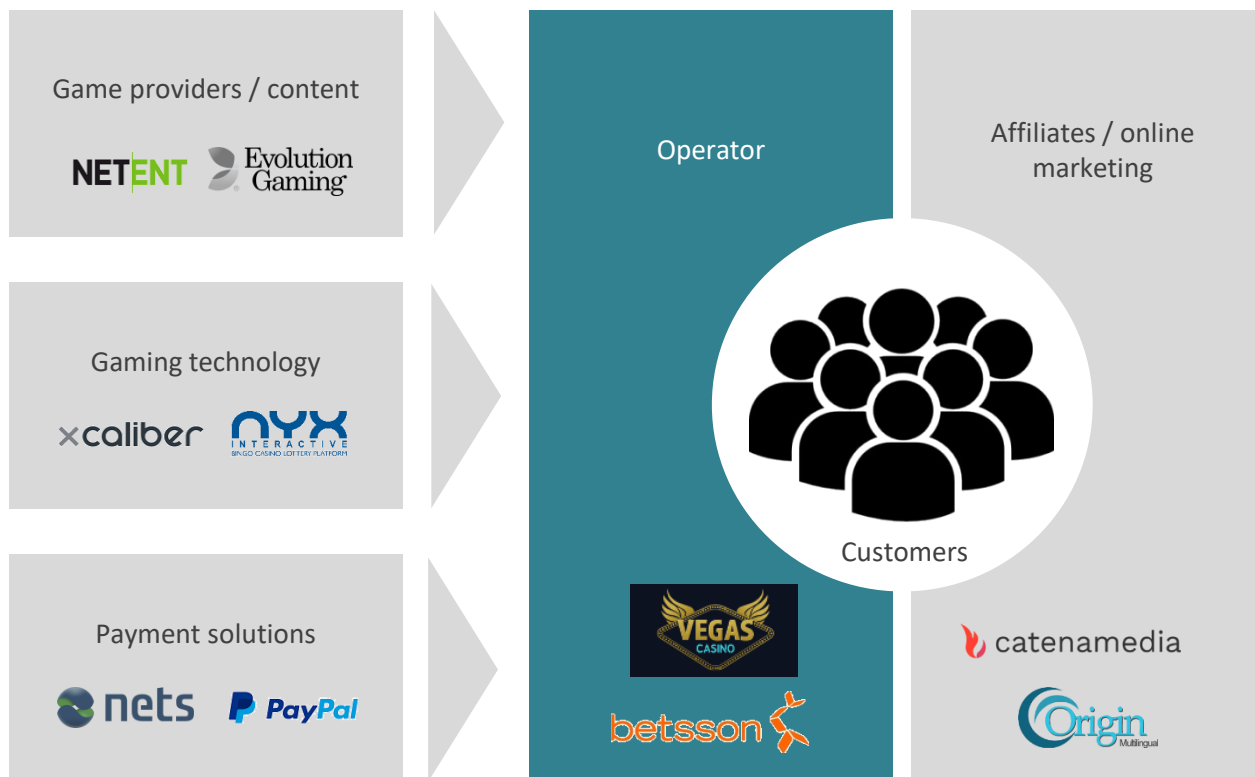

Drevet av organisk markedsvekst, økende bruk av mobildata og brukervennlige håndsett

- iGaming industry is rapidly growing, and in parallel becoming a more regulated industry which is likely to favor larger players and drive consolidation
- The iGaming industry has become a large sector in the Swedish capital markets and there is increasing interest for iGaming companies in the Norwegian investor community
- Initiators behind River iGaming believe there is both solid industrial and financial arguments for establishing a new iGaming company listed in the Norwegian capital markets
